NOTE FOR: JMM

*In your absence —*

Colonel White advised that Irving Kator, Civil Service Commission, had called to confirm that the Commission supports our position on S. 2515, Equal Employment Opportunities Enforcement Act of 1971, completely and that the Commission is also working with the Senate Committee staffers to work out suitable amendment which apparently will be less sweeping than our proposed amendment.

I reminded Colonel White of your meeting with Javits tomorrow afternoon and it was agreed that I would try to get the new language from the Committee staff before the Javits meeting.
